**Completed 20+ educational projects with 95% positive feedback**

---

**Desired position: Frontend Developer / Web Developer**
An enthusiastic frontend developer with knowledge of web design, coding languages (HTML/CSS, JavaScript), and libraries (ReactJS, jQuery, Bootstrap) is eager to contribute to team success through hard work, and excellent organizational skills.

Excels at creating pixel-perfect designs and working with cross-browser compatibility issues.

## EXPERIENCE

**Frontend Developer, Apprenticeship** | 2021/12- Current
**Skypro (Leading educational platform in Eastern Europe)**

- Developed and implemented front-end code using HTML, CSS, JavaScript.
- Ensured that all code is well documented, reusable, efficient, and follows best practices.
- Gained experience in developing interaction with external API, JSON services.
- Learned working with web development tools, such as Webpack and Git.
- Implemented my knowledge to solve various coding cases.
- Experience in version control software (Git).
- Experience with ReactJS library.

**Cases**
- Programmed an application for a card game, connected my project to Git, set up formatters and linters. After testing, I debugged and refactored my project.
- Created a multiplayer browser game "Rock, Paper, Scissors".
- Made a stylish landing page with JavaScript games.
- Created an online store website adapted for different devices.

**Achievements**
- Completed 5 large-scale study cases and 20+ homeworks with an "excellent" rating.
- Was in the TOP 5 students on the course, despite full employment at the main job and last-minute deadlines.

**GreatAuPair (USA, Germany)**
**Au Paur, Nanny**| 2017/08- 2022/08
- Took care of children from 1 to 5 years old in Germany and in USA
- Teaching Russian language and mathematics
- Accompanying the child to school and home, as well as to various activities.

**Achievements**
- Studied the psychology of children from 1 to 5 years old, successfully applied knowledge in practice.
- Learned to work in a situation of stress and unforeseen circumstances, quickly look for a solution to a problem.

**VashRepetitor  (Almaty, KZ)**| 2015/10- 2017/06
- Conducted classes with different age groups from 6-8 to 55 years old
- Development of speaking, reading, writing, listening skills;
- Initial testing of the level of knowledge;
- Preparation of an effective methodology for learning the language

**Achievements**
- Improved English language proficiency and academic performance in this subject for a college student with zero knowledge of the language at the beginning of her studies.
- Developed a methodology to improve spoken English with a student who later went to work in Ireland and successfully applied his new knowledge.

**English Russian translator** | 2014/10- 2015/06
- Translated technical and business documentation from English into Russian and from Russian into English
- Conducted additional checks for grammatical and lexical errors
- Edited documents
